STRENGTH

Pabst Malt Extract *The Best Tonic*

THE manner of its making gives it just the strengthening properties necessary to fortify oneself against a cold, wet spell. Hardly anyone is so constituted but that some of the time he or she does not need a bracing, palatable tonic. Even the most robust are often susceptible to the inroads of disease, owing to disregard of the well-established necessity of keeping one's physical condition up to the proper defensive standard. It is not sufficient to be strong; it is equally important to remain strong. Pabst Extract will make you strong and keep you strong.

Pabst Malt Extract is recommended by physicians, and sold by druggists. Write to Pabst Malt Extract Department, Milwaukee, Wis., for interesting booklet.

SOME FACTS ABOUT TYPEWRITERS

Great progress has been made in building typewriters in the last three years, greater advances than in all the time previous. Years of experience have shown what was valuable and desirable and what should be sacrificed. Some typewriters do good work and are durable, yet are hard to operate and are cumbersome; others are too complicated and easily get out of order, do not keep alignment, etc.

Operators who have used **THE FOX TYPEWRITER** are unanimous in agreeing that it combines more desirable features than any writing machine yet produced. It is a basket type machine, with ball bearing carriage, two oz. key tension, half-inch key dip, aluminum finger levers with

individual tension, adjustable type-bars—insuring perfect alignment, even after years of service, line lock, automatic line spacer, and automatic ribbon movement, combining the features that give durability with the lightest touch, easiest action, and most simple construction.

Our 1903 catalogue tells all about it, and will be sent for the asking. Our free trial plan enables anyone, anywhere, to try **"THE FOX"** for ten days.

Write us today about it.

The No. 4 "Modern" Middle-Joint Fountain Pen

Made and Guaranteed by

A. A. Waterman & Co.

Sold everywhere at \$3

FAITHFULLY adapted to the needs of critical users, and superseding the old style construction heretofore used so largely by professional and business men at \$4.

It will soon be a far cry, back to the user of the risky form of a fountain pen that brings the fingers in contact with the ink joint.

The \$2 Middle-Joint (two sizes smaller) is also a wonderful value, but the *great comfort* is in a *big, strong pen*; and it is mighty comforting, too, to own it a dollar less than the price of a "has-been-the-best" pen.

If the local dealer has not a good assortment of "Modern" pens, write directly to the makers,

THE most artistic and durable color effects on shingles are produced with Shingletint, which is a scientific combination of linseed oil, coloring matter, creosote, and the necessary drying agents.

Among the many shingle stains offered Shingletint is conspicuous not only for its superiority, but because it can be called for by its distinctive name, thus offering the consumer protection against inferior goods offered for the same purpose.

When buying Shingle Stains it will be worth your while to ignore the "just as good" argument and insist upon Shingletint.

Charcoal Tablets

ANTISEPTIC

SCIENTIFIC investigation clearly demonstrates that by far the greater part of the disorders of digestion are due to the action of germs which gain access to the alimentary canal, cause the decomposition of foods, and produce poisonous substances, which when absorbed into the blood give rise to a great variety of distressing symptoms, such as heartburn, waterbrash, sick headache, dullness of mind, confusion of thought, blurred vision, specks before the eyes, and even attacks of unconsciousness.

The best of all intestinal antiseptics is charcoal, and of the many sources from which it is derived, that prepared from cereals is by far the most satisfactory. When exposed for a long time, charcoal absorbs organic material from the air and loses its efficiency. For this reason charcoal which has been put away on druggists' shelves often proves disappointing. We prepare charcoal from cereals to which we add a little sulphur, compressed into tablet form for convenient size to use, and carefully pack them so they will keep indefinitely.

On receipt of the coupon below, signed, with \$1, we will mail you three boxes Charcoal Tablets, each box containing forty tablets.

## OUTING SPOTS IN THE NORTHWEST

There are many places in the country of the Northern Pacific, some inexpensive, others better and more expensive, where one can spend the summer days pleasantly and healthfully. Among these are Walker, in the Leech Lake country, and Detroit and Battle Lake in the Lake Park region in Minnesota; Eaton's ranch, near Medora, N. D.; Hunter's Hot Springs in the Yellowstone valley, and Missoula and the Bitter-Root valley, in Montana; Lakes Pend d'Oreille and Cour d'Alene, Idaho; North Yakima in eastern Washington, and Green River Hot Springs in the Cascades; Tacoma, Seattle, Port Townsend, Port Angeles, and Victoria on Puget Sound, and many places along the Columbia river and on the Pacific Ocean from Portland as a center.

Those east of the Mississippi who wish a decided change should go to the Rockies or the Puget Sound and Columbia river and seacoast country. We can only hint at these things here, but write us, giving particulars as near as you can, and we will try to give you the needed information to enable you to find what you want. And don't forget that Yellowstone Park is the chief of all tourist shrines.

Send to F. H. FOGARTY, General Agent, 208 Clark St., Chicago, or CHAS. S. FEE, General Passenger Agent, St. Paul, Minn., for "WONDERLAND 1903." You need it in your business.
